the BEST halloween party ever 🎃🖤

Hi guys!! Last Friday we had a Halloween party at school and it was AMAZING! Mandy and I decorated the gym after school. We put pumpkins, bats and spiders everywhere 🕷️ It took three hours!

I wore a witch costume — my mum made my hat 🧙‍♀️ Bobby came as a vampire. He drew the blood on his face himself and it looked so real! Jake was a robot. His costume had little lights and they changed colour 🤖 He wrote the code for them!!

Alex was a zombie, of course 🧟 He hid behind the door and screamed at people. Leo dropped all his candy 😂 We ate pizza and pumpkin cake, Leo played the guitar and we danced a lot 💃

At eight o'clock Ms Brown and Coach Miller chose the best costumes. Jake won "the most creative costume" 🏆 Alex's costume was the scariest, and Tyler's skeleton was the funniest — it was too small for him 😂

Then something happened at nine o'clock… but that's Alex's story 😉

read after the listening tasks

🔒 Read this only after you finish the listening on page 4! Listen again and read at the same time. The **orange** words were the answers.

Hey guys, it's Alex. So... about the party. 🧟

OK, at nine o'clock I **was** really bored. The music **was quieter** than at the last party, and Mandy's games **were the most boring** games in the world.

So I went to the hall and I **turned** off the lights. Everyone screamed! Leo screamed **louder** than the girls, haha!

Then Coach Miller found me. He wasn't happy. He took my zombie mask and he **called** my dad.

Now I have to clean the gym on Saturday. With Mandy! This is the **worst** week of my life.

But hey... it was funny, right? 😏

🎭 Read it aloud — like Alex!

1 · Read it with your teacher: you read one sentence, your teacher reads the next.

2 · Find all the past verbs: was, went, turned ... How many can you find?

3 · Read it alone — bored, then excited, then sad, like Alex! 😴 😆 😭

✍️ **Now YOU:** Imagine you were at the party at nine o'clock. Write 2 sentences: what did YOU do when the lights went out?
